Directions

1. Score the 4" x 9-3/4" Whisper White piece at 5-1/4"
2. Using the Stampin' Trimmer insert the WW so the short end is on the top and the long edge is at 1-1/2" (this is the bottom of the card). Make a slit starting at 3" and ending at 7-1/2".

3. Turn the card stock so the slit at the bottom and score starting in at 3" and down to where the slit begins which will be at 2-1/2".
4. Move the card stock so the top edge of the paper is at 7-1/2" and score from the bottom of the card stock up to the end of the slit.
5. The first score (3") is a mountain fold. The top of the 5-1/4" fold is a valley fold and the bottom half is a mountain fold. The last score line (7-1/2") is a valley fold.
6. Stamp the tulips on the 2-3/4" x 3-3/4" WW card stock. Color in the leaves/stem and the newspaper. Stamp the tulips on the Real Red DSP and cut around the tulips. Glue the cut tulips on to the image.
7. Stamp "just for you" on WW CS and punch out using the 1/2" punch. Use the smallest circle framelit and cut out a Basic Black circle. Layer the circles and attach to the newspaper with a Stampin' Dimensional. Tie a small bow with the ribbon and attach it with a glue dot.
8. Glue down the Black and White DSP with the edge next to the 7-1/2" score line.
9. Layer the tulip piece on to the Basic Black 2-7/8" x 3-7/8" piece and then on to the Whisper White card.
10. Apply adhesive to the portion of the back that is shown in green in the picture below. If you apply adhesive in other than the area shown, your card will not open. Layer on to the 4-1/4" x 5-1/2" Basic Black cs.
