Cutting & Scoring:

- Purple Posy So Very Vellum 11" x 4-1/4" card base score & fold at 5-1/2"
- Whisper White 8-1/2" x 11" cut into four 5-1/2" x 4-1/4" pieces
- Highland Heather 1" x 2-3/4"

Instructions:

- Use a die cutting machine and the Stitched Rectangle die (3-3/8" x 4-3/4" rectangle) and cut 2 rectangles from the Whisper White card stock
- Use the same die as in the prior step and place it on a piece of Whisper White card stock on your die cutting machine platform. Place the Stitched Rectangle die that cuts a 2-1/4" x 3-5/8" rectangle inside of the larger die and cut a frame.
- Stamp the flowers in Memento ink on the remaining piece of Whisper White card stock. Color using the Stampin' Blends
- Use the Cherry Blossoms dies and a die cutting machine and cut out the flowers.

- Adhere the Whisper White frame to the front of the Purple Posy So Very Vellum Specialty DSP card base using SNAIL Adhesive.
- Attach one of the Whisper White rectangles (first step) to the inside front of the card, using SNAIL adhesive. This will cover up the adhesive from showing through the vellum from the front of the card.
- Adhere the remaining Whisper White rectangle to bottom portion of the inside of the card. Position the rectangles so it lines up with the other rectangles.
- Attach the flowers to the frame using Stampin' Dimensionals.
- Use a die cutting machine and cut "merci" from the Parisian dies in Highland Heather card stock.
- Use Multipurpose Liquid Glue to attach "merci" to the front of the card.
- Use Multipurpose Liquid Glue and attach 3 white From My Heart Faceted Gems to the front of the card.

Enjoy!
