Stampin' Up! Supplies:

- STAMPS - All the Good Things (retired Stampin' Up!)
- PAPER - Thick Whisper White CS 140272, Calypso Coral CS 122925, Coastal Cabana CS 131297
- INK - Basic Gray pad 149165, Basic Black Stampin' Write Marker 100082, Calypso Coral pad 147101, Bermuda Bay pad 147096, Coastal Cabana pad 147097
- OTHER - Window Sheets 142314, Layering Circles Dies 141705, Foam Adhesive Strips 141825, Silica Gel beads

Cutting & Scoring:

- Thick Whisper White CS 4-1/4" x 11" scored at 5-1/2", 3-1/2" x 4-1/2", scrap to stamp fish
- Calypso Coral CS 4" x 5-1/4"
- Coastal Cabana 3-3/4" x 5"
- Window Sheet 3-1/4" x 3-1/4"

Instructions:

- Stamp 2 small fish one in Coastal Cabana ink and one in Bermuda Bay ink and fussy cut them
- Stamp 1 large fish in Calypso Coral ink and fussy cut it out
- Use a circle die and cut out a circle on the Coastal Cabana CS. Place the Coastal Cabana CS over the 3-1/2" 4-1/2" Whisper White CS and trace around the circle. This will be where the shaker element will be.
- Stamp the graduation sentiment in Basic Gray ink on the Coastal Cabana CS

- Stamp the sentiment using the Basic Black Stampin' Write Marker on to the 3-1/2" x 4-1/2" Whisper White CS (centered in the circle)
- Adhere the Calypso Coral CS to the Whisper White card base. Adhere the Whisper White CS 3-1/2" x 4-1/2" piece to the Calypso Coral CS.
- Place Foam Adhesive Strips around the traced circle. Place Foam Adhesive Strips along the edges of the Whisper White CS.
- Attach the Window Sheet to the back of the Coastal Cabana CS.
- Place some Silica Gel beads to the inside of the foam adhesive strip circle. Carefully peel away the protective strip from the foam adhesive strip circle and the strips along the edge of the Whisper White CS.
- Lay the Coastal Cabana piece over the Whisper White CS. Gently rub to secure the 2 pieces together.
- Arrange the fish around the circle and attach using Stampin' Dimensionals

Enjoy!
