## Instructions:

- Place the dotted mask over the 4-1/8" x 5-3/8" Whisper White CS. Apply a thin layer of Shimmery White Embossing Paste over the stencil using a Palette knife. Continue adding and spreading the paste until the CS is covered.
- Carefully lift off the mask. Wash off the mask and palette knife. Set aside the Whisper White CS to dry.
- Cut 2 wreaths from the Old Olive Perennial Essence Vellum. Layer one on top of the other and attach them using 1/2 a Mini Stampin; Dimensional.
- Cut out 5 small snowflakes (Christmas Layers dies) and punch 3 stars out of Sparkle Glimmer paper.
- Using Mini Glue Dots attach the snowflakes and stars to the wreath. Place Red Rhinestones to the center of the snowflakes.

- Stamp the sentiment on a scrap piece of Whisper White CS and cut out creating the banner. Attach the banner to the wreath using Mini Stampin' Dimensionals. Place Red Rhinestones at the ends of the banner.
- Layer the Feels Like Frost DSP to the 3-3/8" Real Red square. Attach the wreath to the Feels Like Frost layer using Stampin' Dimensionals.
- Test to make sure the embossing paste is dry. Attach the Whisper White layer to the Real Red card base using SNAIL adhesive, Attach the 3-3/8" square to the Whisper White CS.
- Attach the remaining 4" x 5-1/4" Whisper White CS to the inside of the card.
