Instructions:

1. Ink a Clear block in Balmy Blue ink. Use an Aqua Painter and the Balmy Blue ink and create a Balmy Blue wash on the 2-7/8" x 3-5/8" Shimmery White card stock. Set aside to dry.
2. Punch out a 1" circle from a piece of scrap paper creating a stencil. Place the stencil on the Shimmery White card stock. Use a sponge inked with So Saffron ink and sponge in the circle, creating a sun.
3. Stamp the light house in Night of Navy ink on the 2-1/4" x 3-1/2" Shimmery White card stock. Cut out using the coordinating die and attach to the Shimmery White card stock using Dimensionals. Stamp the birds in Night of Navy ink directly on the Shimmery White card stock. Adhere panel to the Night of Navy card stock using SNAIL adhesive.
4. Stamp the anchor in Night of Navy ink on the 1-3/4" x 2-1/4" Balmy Blue card stock and cut out using the coordinating die. Cut out the rope die in Soft Suede card stock. Adhere the rope to the remaining piece of Shimmery White card stock using Multipurpose Liquid Glue. Trim off any "rope" that extends over the Shimmery White card stock. Stamp sentiment in Night of Navy ink. Attach the anchor using Stampin' Dimensionals.
5. Adhere the 1" tab on the 3-1/4" x 5" piece of Balmy Blue card stock to the back of the DSP using SNAIL adhesive. Adhere the DSP to the 4-1/4" x 5-1/2" piece of Balmy Blue card stock using SNAIL adhesive.
6. Apply SNAIL adhesive to the lower 1/3 of the lighthouse panel and adhere to the lower portion of the 3-1/4" x 5" Balmy Blue card stock panel.
